## FLORIDA MEMORIAL UNIVERSITY MARKS ITS 142 FOUNDERS' DAY BY CELEBRATING IN GREAT STYLE

**Monday, March 15, 2021 (Miami Gardens, Florida)** — For more than 141 years, Florida Memorial University (FMU) has helped underserved students earn a college degree. It is one of Florida's oldest universities and has a proud heritage as the only HBCU in South Florida. We take pride in the fact that FMU is one of the nation's leading private institutions that provides a solid foundation for students from all walks of life on their pathway to success. Florida Memorial University will celebrate its 142<sup>nd</sup> Founders' Day this week with three events, following CDC guidelines and offering a solemn ceremony, entertainment and even a birthday cake.
